

## Solid, Capped Composite Decking

Featuring EcoTech™ for optimum stain and fade resistance.

EcoTech™ is an innovative outer layer, designed to encase the board to protect against spills, staining and fading. With EcoTech™ technology, Solidek decking is easy to clean and keeps looking its best for years to come.

Colour: Slate

### Our Stylish Boards Offer A Number Of Great Features

#### EcoTech™

EcoTech™ layer for advanced protection against spills, staining and fading.

#### 25 Year Warranty

25 year stain, fade and structural guarantee.

#### UK Manufactured

Proud UK manufacturers for over 25 years.

#### Eco-Friendly

Made from 90% recycled and sustainably sourced materials.

#### Low Maintenance

Easy to clean with no sanding or sealing required.

#### Hidden Clip Fixings

Designed to be fitted with our hidden clip fixings (face fix also possible).

#### Bespoke Lengths

Made to measure lengths at no extra cost, save time and money and speed-up installation.

#### Slip Resistant

High levels of slip resistance - rain or shine.

#### Solid Construction

Less prone to expansion and contraction compared to hollow boards.

#### Heat-Absorption

Excelling in heat absorption, ensuring a cooler surface for outdoor use.

### Colour Options
